

STONE HILL LEARNING CENTER

CODE OF CONDUCT

Please read the entire Code below. Sign and date the detachable form and return it to SHLC along with your Application.

As a member of the Stone Hill Learning Center community, I commit myself to the following priorities:

- *Appropriate Speech:* I agree to use wholesome, truthful, and constructive speech. I will, in turn, avoid gossip, offensive words and gestures, as well as all unkind and inappropriate communication. The goal of my communication will be to build others up.
- *Respect for Others:* I will treat the SHLC teachers and students with respect. In the case of SHLC teachers, I will recognize their position of leadership and maintain a good attitude about my role as a student. In the case of my fellow SHLC students, I will recognize the value of each person as an image-bearer of God. I will avoid disruptive actions and speech so that my fellow students can benefit to the fullest extent from their SHLC studies.
- *Responsible Stewardship:* I understand the difference between community and private property. When I am using community property, I will take care of it, knowing others will use it after me. I will not use another's private property without that person's permission.
- *Affirming Encouragement:* My relationships with the other students and staff at SHLC will be characterized by a positive and caring attitude. I will express my opinions without demands, complaints, and criticism. I will not respond to conflict with physical or verbal attacks.
- *Safety Consciousness:* In my dealings with others, I commit myself to protecting them from damage to body or soul. I will also act so as to promote my own health and safety.
- *Accountability:* I understand that I am part of a group. What I do affects how people look at the Stone Hill Learning Center and homeschooling. I will accept the oversight of SHLC leaders, and place myself under their guidance. I am willing to be accountable for my actions at SHLC and lovingly to hold others accountable for their actions. This includes adhering to the usage procedures set by Stone Hill Church.
- *Reconciliation and Restitution:* In the event that I violate any part of the SHLC Code of Conduct, I will admit my wrongdoing, seek forgiveness, make adequate restitution, and pursue reconciliation until it is fully accomplished.
- *Gratitude:* I will maintain an attitude of thankfulness and humility, recognizing that learning, working and growing in a community is a trust and a privilege.

I have read (or had read to me) the Stone Hill Learning Center Code of Conduct and agree to abide by its standards.
